Hey Mike,

Sorry for the delay. My last couple days were out at the Dead Sea where I finally lost coverage.

Thanks for the extra coverage last week, and sorry again that I left you hanging at a busy time! I'm definitely ready to get this over the finish line (if there is one...).

James

A couple more thoughts on the memos we reviewed last night:

I'm going to the PTO for Andrei's swearing in this morning and will be back about noon. If the Sec wants to review the draft documents this morning, can you walk him through?

Thanks
